- (d) All of the above

Answer:

- (d) All of the above

### 2. Explain with reasons whether the following statements are true or false:

Question 1.

India has an important position among the South Asian countries.

Answer:

True.

- India's position in Asia is geographically and politically important.
- Afghanistan, Pakistan, Sri Lanka, Bangladesh, Myanmar, Nepal, Bhutan, China and Maldives are India's neighbours.
- The values of equality and mutual respect have a great importance in India's foreign policy. India has established relations with neighbouring countries on the basis of these values.
- India is the biggest country in the Indian subcontinent. Similarly, India is economically and technologically more advanced. It is thus natural that India has a great influence among the South Asian countries.

Question 2.

Sino-Indian relations are friendly.

Answer:

False.

- The conflict between India and China is connected to two issues : (a) Border issue and (b) The status of Tibet.

- The border dispute between India and China is related to the Aksai Chin area and the Macmahon line.
- China claims that the area, South of Aksai Chin and Macmahon line (Arunachal Pradesh) is Chinese Territory. China is not willing to agree that Macmahon Line is an international border.
- India made several efforts to sort this border dispute by means of dialogue, but it has not met with much success. In 1962, China Attacked India.
- When China was stepping up its military control in Tibet, Dalai Lama took asylum in India. This issue has been responsible for the conflict between the two countries.

Question 3.

India sent a peacekeeping force to help the Sri Lankan government.

Answer:

True.

- India has friendly relations with the southern neighbour Sri Lanka.
- Political instability in Sri Lanka after 1985 was a result of the differences between the Tamil and the Sri Lankan Government. At that time, India had sent a peace keeping force to help the Sri Lankan government.
- Friendly relations with Sri Lanka are important from the point of view of security in the Indian Ocean.

3. Complete the following chart.

Question 1.

| Treaties/Exchanges    | Countries            |
|-----------------------|----------------------|
| .....                 | India and Pakistan   |
| Macmahon Line         | .....                |
| .....                 | India and Bangladesh |
| Import of natural gas | .....                |
| .....                 | India and Africa     |

Answer:

| Treaties/Exchanges                              | Countries            |

Answer:

(i) There is a lot of political instability in Afghanistan.

(ii) The dominance of the terrorist organisation, Taliban is responsible for this.

(iii) India has extended help to bring peace, security and stability, curb violence and establish a democratic government.

AllGuideSite :

Digvijay

Arjun

(iv) Similarly, India is also helping Afghanistan in re-establishing communication facilities that have got destroyed due to war, build roads, cooperate in the fields of science and technology, build schools, health facilities and irrigation projects.

#### 5. Answer the following questions in brief:

Question 1.

Explain the background of cooperative relations between India and America.

Answer:

India and America are two powerful nations who have democratic political systems. Right from the beginning, America was India's most important trading partner.

(i) Many Indians have gone to America for education or work. Due to the presence of these non-resident Indians, the cultural, social and economic relations between America and India have been increasing.

(ii) After the end of Cold War, the military relations between India and America have increased on a large scale.

(iii) After India accepted free market economy, the speed of economic progress slowly increased. It resulted in further strengthening the trade relations between India and America.

(iv) When India conducted nuclear tests in 1998, there was tension in the relations between the two countries.

(v) Many rounds of discussions took place after that to improve the relations. Through these rounds of talks, America came to believe that India will use its nuclear weapons with responsibility. This completely transformed the Indo-American relations.

(vi) The Civil Nuclear Agreement signed in 2005 that was approved by the U.S. Congress in 2008 was an important landmark in Indo-American relations.

Question 2.

Give some information about the efforts taken by India for the establishment of democracy in neighbouring countries with examples.

Answer:

India upheld sovereignty and democratic values in Nepal, Afghanistan, Sri Lanka and Pakistan.

(i) Nepal was a Hindu Kingdom which adopted democratic government in 2006. India backed up its decision of adopting popular rule by helping Nepal with constitutional guidelines.

(ii) India also extended friendly relations to Ashraf Ghani through SAARC and other international platforms after the collapse of Taliban there.

(iii) India sent a peacekeeping force to Sri Lanka to bring about a cease fire between Sinhalese and Tamils and enforce peace and democracy.

(iv) The regime of Pervez Musharraf had adopted aggressive foreign policies and oppressed public opinion in Pakistan which led to violence and chaos. India had also criticised military rule in Pakistan.

Question 3.

What is the role of South Asian Association for Regional Cooperation?

Answer:

SAARC is a regional organisation established by the South Asian countries in 1985.

(i) The aim of this organisation is to encourage economic co-operation between South Asian nations and thereby achieve the development of the South Asian region.

AllGuideSite :

Digvijay

Arjun

(ii) The organisation of SAARC is a platform for South Asian countries to come together and discuss common questions and interests.

(iii) Some common interests of South Asian countries are alleviation of poverty, development of agriculture and technological revolution.

(iv) Some treaties were signed on the SAARC platform to make it easy for South Asian countries to trade with each other.

(v) As a part of this, it has been decided that South Asia should be made into a free trade area. For an equitable development of South Asian nations, a treaty about forming South Asian Free Trade Area was signed and South Asian University was established.

## 6. Give your own opinion about :

Question 1.

What remedies would you suggest in order to reduce the tensions in the relations between India and Pakistan?

Answer:

(i) To reduce tensions in the relations between India and Pakistan, I suggest that

(ii) Cultural exchange between the two nations must be enhanced by allowing and inviting artists of these nations to perform in each other's countries. Films and sports would also work wonders to improve relations between them.

(iii) Since India is the largest democracy in the world, it should assist and uphold establishment of democratic systems in Pakistan, where government is either overpowered or practically governed by military.

(iv) Pakistan should be convinced through world opinion at international summits, conferences and organisations such as the UN.

(v) India should ascertain that the media does not mislead people in both the nations, by telecasting exaggerated content which might negatively influence the relations.

(vi) India should appeal the Pakistani Government for preservation of Hindu and Sikh pilgrimage places and cultural sites. India must also promote tourism in both the countries, so that civilians across borders have cordial relations.

(vii) Incidents of cross-border terrorism, violence and infiltration must be taken to international forums. Government of India should frame suitable policies for retrieval of Indian subjects, Prisoners of War and fishermen held in captivity of Pakistani Government.

Question 2.

Do you agree with the statement: 'Hurdles are created in the way of internal development due to tense relations of India with neighbouring countries/ Explain with reasons.

Answer:

(i) Yes, I agree that hurdles are created in the way of internal development due to tense relations of India with neighbouring countries. Due to tense relations with the neighbours, India is unable to focus on the internal law and order situation and social welfare.

(ii) Non-cordial relations with the neighbours will force India to embark on military and nuclear mobilisation to retaliate the pressure of foreign aggression. This might culminate into a war.

(iii) War with neighbours will disturb the peace in the Indian subcontinent and compel India to divert its resources and efforts towards defence and manufacturing weapons.

(iv) Money and resources which should be invested for constructive purposes like health, education and infrastructure would be diverted towards destruction.

AllGuideSite :

Digvijay

Arjun

(v) A war with her neighbours can put tremendous pressure on India's economy giving rise to problems like scarcity and inflation.

Question 3.

Do you think that strong healthy relations of India with America are conducive to India's economic development?

Answer:

(i) Yes, I believe that strong healthy relations of India with America are conducive to India's economic development.

(ii) America is an undisputable super power of the world and India is on its way to become a super power. Co-operation between these two countries can thwart terrorism in the world, which is a big challenge in the path of economic development.

(iii) Both countries follow democratic systems of government and free market economies. Co-operation from America is a must to enhance India's economic prospects.

(iv) The non-resident Indians in America have helped to improve on Indian Foreign Reserves. With Indians taking up more employment in America, India can boost its foreign exchange.

(v) Call centres of American MNCs and other ways of outsourcing have provided employment opportunities to the Indian youth. American companies such as Coca Cola, Colgate and MacDonald established their franchises in India, whereas Indian IITians have dominated the Silicon Valley. An Indian – Sundar Pichai, today is the CEO of 'Google' – an American company.

(vi) As American companies find Indian economy very promising, FDI has also increased. The 'Make in India' drive is now seeking empowerment of Indian economy and employment of Indians through such FDI's.

### **Class 9 Political Science Chapter 5 India and Other Countries Additional Important Questions and Answers**

[Choose the correct option from the given options and rewrite the statements:](#)

Question 1.

in 1972,\_\_\_\_\_ provided a new format to the interaction between India and Pakistan.

- (a) Tashkent Agreement

(v) India should ascertain that the media does not mislead people in both the nations, by telecasting exaggerated content which might negatively influence the relations.

(vi) India should appeal the Pakistani Government for preservation of Hindu and Sikh pilgrimage places and cultural sites. India must also promote tourism in both the countries, so that civilians across borders have cordial relations.

(vii) Incidents of cross-border terrorism, violence and infiltration must be taken to international forums. Government of India should frame suitable policies for retrieval of Indian subjects, Prisoners of War and fishermen held in captivity of Pakistani Government.

Question 2.

Do you agree with the statement: 'Hurdles are created in the way of internal development due to tense relations of India with neighbouring countries/ Explain with reasons.

Answer:

(i) Yes, I agree that hurdles are created in the way of internal development due to tense relations of India with neighbouring countries. Due to tense relations with the neighbours, India is unable to focus on the internal law and order situation and social welfare.

(ii) Non-cordial relations with the neighbours will force India to embark on military and nuclear mobilisation to retaliate the pressure of foreign aggression. This might culminate into a war.

(iii) War with neighbours will disturb the peace in the Indian subcontinent and compel India to divert its resources and efforts towards defence and manufacturing weapons.

(iv) Money and resources which should be invested for constructive purposes like health, education and infrastructure would be diverted towards destruction.

(v) A war with her neighbours can put tremendous pressure on India's economy giving rise to problems like scarcity and inflation.

Question 3.

Do you think that strong healthy relations of India with America are conducive to India's economic development?

Answer:

AllGuideSite :

Digvijay

Arjun

(i) Yes, I believe that strong healthy relations of India with America are conducive to India's economic development.

(ii) America is an undisputable super power of the world and India is on its way to become a super power. Co-operation between these two countries can thwart terrorism in the world, which is a big challenge in the path of economic development.

(iii) Both countries follow democratic systems of government and free market economies. Co-operation from America is a must to enhance India's economic prospects.

(iv) The non-resident Indians in America have helped to improve on Indian Foreign Reserves. With Indians taking up more employment in America, India can boost its foreign exchange.

(v) Call centres of American MNCs and other ways of outsourcing have provided employment opportunities to the Indian youth. American companies such as Coca Cola, Colgate and MacDonald established their franchises in India, whereas Indian IITians have dominated the Silicon Valley. An Indian – Sundar Pichai, today is the CEO of 'Google' – an American company.

(vi) As American companies find Indian economy very promising, FDI has also increased. The 'Make in India' drive is now seeking empowerment of Indian economy and employment of Indians through such FDI's.
